HANDBOOK

2026 - 2027

Prolog

اَلسَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللهِ وَبَرَكَاتُهُ

Assalamu'alaikum warohmatullahi wabarakaatuh

Bismillahirrohmaanirrohiim

Welcome to the Development Class!

We are honored to embark on this journey alongside you and your child. This handbook has been carefully designed to provide you with essential information about our program, teaching methodologies, and collaborative approach to nurturing your child's potential.

At the heart of our program is the belief that every child is unique, capable, and deserving of an education that respects their individuality. Through personalized learning experiences, structured routines, and compassionate guidance, we aim to foster not only academic growth but also social, emotional, and life skills development.

The Development Class is more than just a classroom—it is a supportive environment where students learn through meaningful experiences, tailored strategies, and continuous encouragement. Our team of dedicated educators and therapists work closely with families to ensure that every child receives the support they need to thrive.

This handbook serves as a guide to help you navigate your child's learning journey. Within these pages, you will find detailed information on our curriculum, teaching approaches, communication methods, and ways you can actively participate in your child's education. We encourage open communication and collaboration, as we believe that a strong partnership between parents and educators is key to a child's success.

We appreciate your trust in us and look forward to working together to create a nurturing and empowering learning experience for your child. May this journey be filled with growth, achievements, and memorable milestones.

Bismillah, let's begin this meaningful journey together!

وَالسَّلَامُ عَلَيْكُمْ وَرَحْمَةُ اللهِ وَبَرَكَاتُهُ

COMMUNICATION BETWEEN PARENTS AND SCHOOL

1. The communication process takes place on the basis of the need to support the student's learning process, including the development of student both academically and attitudinal.
2. Communication can be done using a mobile phone, e-mail or face to face.
3. Communication is carried out at the right time and place, according to the agreement.
4. Communication uses good and polite language in accordance with the corridor of education.
5. In order to facilitate communication between parents, it is necessary to select a **class coordinator** (Korlas) from each class.
6. In the communication process, the homeroom teacher can contact parents personally if there are things that need to be conveyed/discussed further.
7. Homeroom teachers can communicate matters related to classical information, with the selected class coordinator (Korlas).
8. If there is something important that parents want to convey to the homeroom teacher/classroom teacher **during learning hours, parents can contact the Development Class admin staff or Head of Development Class,** either through private lines or school phone number.
9. Teachers have limited responses when they need to answer parents in out of their working hours.
10. Since we want to ensure smooth communication with parents, we have to follow the flow that we have decided on. All communication is done through **email only**, if parents have concerns and want to raise them, they cannot go through other channels, such as teacher's personal WhatsApp. On this 24/25 academic year, we want to empower Homeroom to solve the concerns from parents so it is not going up to Vice Principals or Principals.

    The flow of communications:

    1. Parents or Korlas --> Homeroom
    2. Coordinator Ittihada each divisions --> Principal or VP
    3. Head of Ittihada --> Head of School
