*Assalamu'alaikum warohmatullahi wabarakaatuh*
*Bismillaahirrahmaanirrahiim*

Dear Parents,

Welcome to a new academic year at Mutiara Harapan Islamic School! We are excited to have you and your children as part of our school community. As we embark on this educational journey together, we want to ensure that everyone is well-informed and prepared for the upcoming year.

To help facilitate effective communication and establish a clear understanding of our school's policies and procedures, we have prepared a comprehensive Parents Handbook. This handbook serves as a valuable resource that outlines the expectations, guidelines, and important information relevant to your child's education.

In this Parents' Handbook, you will find detailed information on various aspects of our school, including:

1. Vision and Mission: Gain insight into our school's core values, educational philosophy, and overall goals for student achievement.
2. School Policies: Familiarize yourself with the rules and regulations that govern student behaviour, dress code, attendance, and academic integrity. We must maintain a safe and nurturing learning environment for all students.
3. Curriculum Overview: Explore the subjects, teaching methods, and learning objectives that will be covered throughout the year. This section will provide you with a broader understanding of the academic journey your child will undertake.
4. Communication Channels: Discover the various channels we employ for effective communication between the school and parents. Stay connected through newsletters, parent-teacher meetings, digital platforms, and other means to ensure open lines of communication.
5. Support Services: Learn about the resources and support services available within the school, including counselling, special education, extracurricular activities, and community engagement programs. We are committed to providing a holistic educational experience for your child.
6. Calendar of Events: Stay informed about important dates, holidays, school closures, and special events throughout the academic year. Mark your calendars to ensure active participation in your child's educational journey.

We encourage you to thoroughly read through the Parents Handbook and familiarize yourself with its contents. It is designed to answer many of the questions you may have and provide guidance on how we can work together to ensure your child's success.

We value your partnership in your child's education, and we believe that a strong collaboration between home and school is crucial for their growth and development. By understanding and adhering to the guidelines outlined in the Parents Handbook, we can collectively create a supportive and enriching environment for our students.

If you have any further questions or concerns, please do not hesitate to reach out to our school administration or teachers. We are here to assist and support you in any way we can.

Thank you for entrusting us with your child's education. We look forward to a rewarding and successful year ahead!

Warmest regards,
Wilda Liona Suri
Primary Principal

*Wassalamu'alaikum warahmatullohi wabarakaatuh*
*Alhamdulillahirobbil'aalamiin*

## Our Founder Values

MHIS was established in 2005 with a vision to have an Islamic school with international exposure. The aim is to prepare Muslim students to be ready for the future where they can cope with globalization, ever-changing world & international competition in the future.

The school is based on the belief that our students grow to be great examples of the following characteristics: Good Islamic values, open-mindedness, confidence and the necessary skills to be global citizens.

School's role is to make students be prepared with the necessary skills for the unknown future and they always have the Islamic values with them so that they will rely on their true identity in the struggle and success.

Mutiara Harapan Islamic School's five goals are :

1. Believe and obey to Allah subhanahu wa ta'ala
2. Capable to lead
3. Capable to convey the ideas
4. Capable of using information technology
5. Capable to communicate both nationally and internationally

Those goals reflect the core values of why Mutiara Harapan was established. As a strategic objective for our core values, our vision is to be "The best institution of Islamic education in a global era".

## Our Value Promise

All parents dream that their children will be more successful in their lives than they ever were. We believe school should be a place where the elements of a successful career and understanding how to contribute to society and close are strengthened. Student outcomes are our promise to parents and our students.

We take pride in our heritage, recognizing that true success as a citizen begins with understanding one's origins. With this in mind, we actively engage in learning about and appreciating the richness of our culture, community, and society.

We are dedicated to nurturing students who possess a strong sense of identity and the confidence to contribute positively as responsible citizens. Grounded in Islamic, cultural, and national values, our approach ensures that students gain a solid foundation in Islamic knowledge while consistently practicing these values in their daily lives.

We foster a deep respect and pride in our traditions, incorporating local wisdom whenever it adds meaning and relevance to learning. At the same time, we equip our students with open-mindedness, confidence, and essential skills to thrive as global citizens.

As a united community, we work together to create a supportive and welcoming school environment. Our school plays an active role in the wider community, providing students with the guidance, experiences, and tools they need to lead meaningful and successful lives.

We want our school to feel like a home to everyone.

- We are all responsible for the safety of our school
- Everyone is entitled to experience the Joy of Learning
- We participate, involve, and contribute actively to improve our surrounding community
- We cooperate and collaborate on national and international levels to spread, raise awareness, and challenge our beliefs about what great education is.
- We keep learning and improving as a community.
- We are committed to continuous improvement by engaging in benchmarking, as well as fostering cooperation and collaboration at both national and international levels.
- We are all role models by our actions.

## Our Core Principles

**Vision :**
"To educate students rooted in Islamic values, exemplary character, and the skills to succeed in an ever-changing world."

**Mission:**

1. To develop curricula and programs that integrate Islamic foundation, foster exemplary character, and equip students with the knowledge, skills, and mindset for continuous growth.

2. To empower teachers and staff to embody Islamic values, embrace lifelong learning, and pursue excellence that drives student success and growth.

3. To provide a safe and sustainable environment that supports students' evolving needs in character development, skills acquisition, and academic mastery.

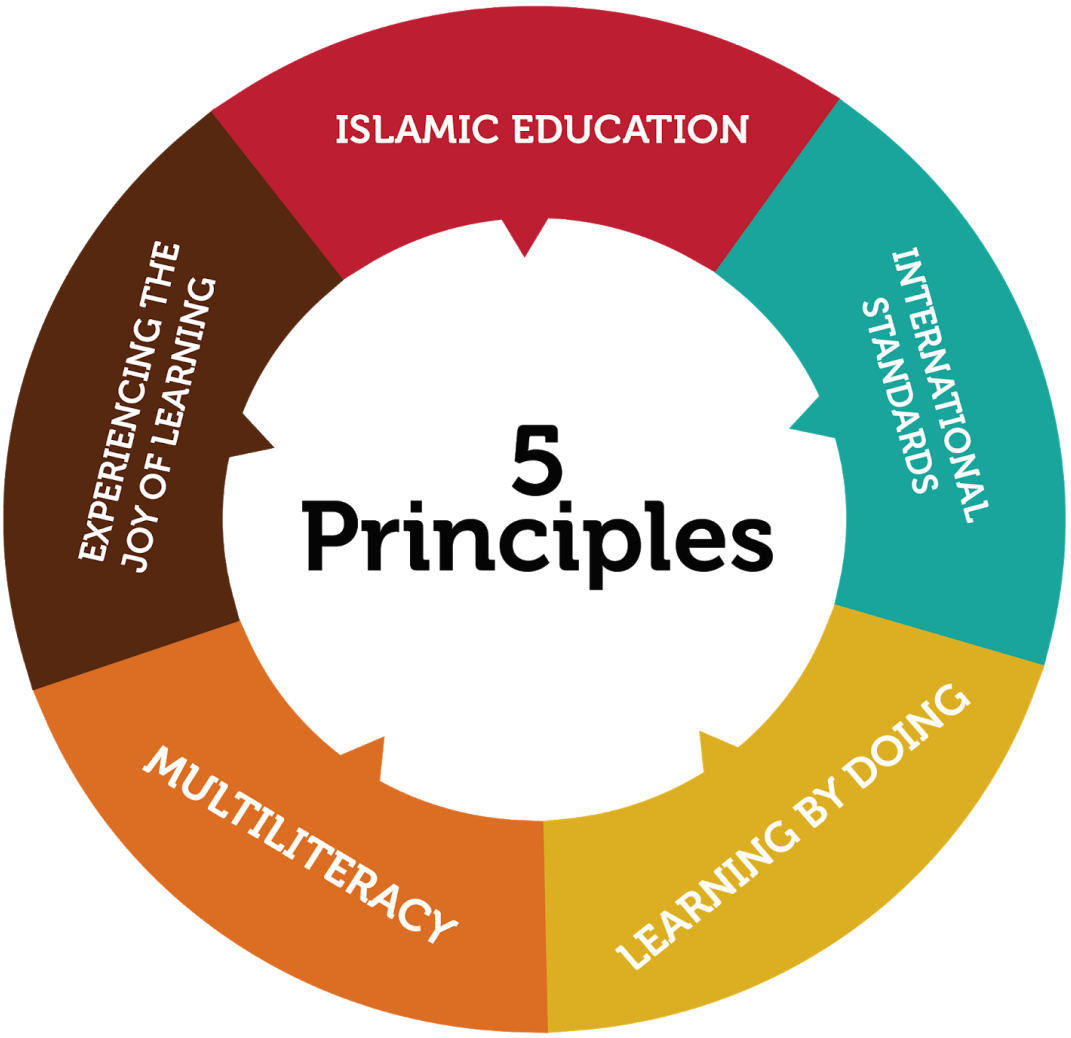

4. To ensure effective operations that emphasize outstanding service and apply best practices.

**“Educating students grounded in Islamic values, possessing exemplary character, and equipped with the skills to succeed in an ever-evolving world.”**

1. Develop curricula and programs that integrate Islamic principles, nurture exemplary character, and equip students with the knowledge, skills, and mindset for continuous self-development.

2. Empower teachers and staff to internalize Islamic values, embrace lifelong learning, and pursue excellence in supporting students' success and growth.
3. Provide a safe and conducive environment that supports students' needs in developing character, skills, and academic mastery.
4. Manage operational activities effectively with a focus on service excellence and the implementation of best practices.

To be able to keep our value promises, we follow **5 principles**:

**PURPOSE**

This Parents Handbook serves as a comprehensive guide designed to foster a strong, collaborative partnership between Mutiara Harapan Islamic School and our parent community in nurturing your child's academic excellence, moral foundation, and personal growth. Within these pages, you will find essential insights into our daily school operations, academic expectations, and community standards, ensuring a shared understanding that empowers us to create a safe, supportive, and enriching learning environment together.

Please review the following policies, procedures, and community guidelines carefully to ensure alignment with our shared commitment to your child's educational journey at MHIS.

## 1. ARRIVAL AND DISMISSAL

### ARRIVAL

**Student Drop-Off:**

- Parents/Guardians/Caregivers are permitted to drop off students at the school's main gate only. Entry beyond this point is restricted unless prior authorization is obtained.
- Should a Parent/Guardian/Caregiver require access to the school premises, they must report to the school security office upon arrival and await further instruction in the designated waiting area.
- Parents/Guardians/Caregivers are expected to adhere to the school's dress code and comply with all prevailing health protocols during their visit. This includes, but is not limited to, refraining from entering the school if experiencing symptoms of illness.

**Student Reception:**

- Upon arrival at the school lobby, a designated staff member will greet students and conduct a brief inspection to ensure adherence to school uniform standards, specifically:
    - Correctness of the school shirt.
    - Appropriate footwear.
    - Overall student tidiness.
- Students exhibiting symptoms of illness upon arrival will be assessed by the school nurse. The nurse will determine whether the student is fit to attend classes or should return home. Parents are strongly advised to ensure their children are in good health before sending them to school.

**Late Arrival Procedures:**

- Late-arriving Grade 1 students may join the Baca Tulis Qur'an (BTQ) class; however, they must report to their lead teacher after the scheduled snack

break. As Grade 1 students are still at the beginning stage of the school day, this arrangement is permitted. Meanwhile, for all other grades, BTQ is already integrated into the timetable and is no longer conducted in the morning.

- In the event of three or more instances of late arrival, a formal reminder letter will be sent to the Parent/Guardian/Caregiver.
- Teachers on duty will be stationed in the school cafeteria to provide assistance and supervision.

**DISMISSAL**

**Student Pick-Up:**

- Students must be collected within twenty (20) minutes of their designated dismissal time. The school assumes no responsibility for students remaining on school premises beyond this timeframe.
- Students are prohibited from leaving the school grounds without the direct supervision of a Parent/Guardian/Caregiver.
- In the event of an unavoidable delay in pick-up due to an emergency, Parents/Guardians/Caregivers must promptly notify the student's homeroom teacher.

**Dismissal Procedures:**

- Homeroom teachers, teachers on duty, and school security personnel will supervise and facilitate the student dismissal process.
- Parents/Guardians/Caregivers will be issued a student dismissal (pick-up) card. This card must be presented and scanned to the designated teacher or security guard during student pick-up. Upon a successful scan, a notification will be sent to the homeroom teacher and displayed on the school's information screens.

**Dismissal Schedule:**

| Grade | Normal Day Dismissal | Dismissal During SEP | Dismissal During Excul/ G6 Extra class |
|---|---|---|---|
| Grade One | 13.35 | 14.35 | 14.40 |

## 4. STUDENTS' PROGRAM

***Student Excellence Program* (SEP), Cambridge Primary Checkpoint (CPC) Preparation and *Additional Class Program* (ACP)**

a. SEP is one of the school programs to maximize further students' potential in several subjects, such as math, English, science, tahfiz and creative writing.
b. Cambridge Primary Checkpoint (CPC) is a standardized assessment developed by Cambridge Assessment International Education for students at the end of the Cambridge Primary stage (typically Grade 6).
c. The *Additional Class Program* (ACP) is a supplementary learning program provided to selected students based on recommendations from subject teachers and homeroom teachers. Placement in the ACP is determined according to each student's individual learning needs and abilities.
d. The ACP is a paid program, but not compulsory.

e. The schedule of SEP, CPC and ACP for this school year is as follows:

| Program | Grade | Day | Time |
|---|---|---|---|
| Students Excellence Program (SEP) | 2 | Monday | 13.35-14.35 |
| | 3-5 | | 14.15-15.15 |
| Cambridge Primary Checkpoint (CPC) Preparation | 6 | Tuesday-Thursday | 14.15 - 15.15 |
| Additional Class Program (ACP) | 1-5 | Based on Teachers Schedule | after school hours |

**Extracurricular Activities**

MHIS Primary promotes and encourages a variety of activities to support the school's vision and mission. Teachers assist in and motivate students to participate in events and activities, including extracurricular. Here is the information and regulations with regard to the extracurricular activities for this school year:

a. Participation in extracurricular activities is **compulsory** for students in Grades 1–5. Each student may select one onsite activity and one offsite activity or at least one activity per semester.
b. Parents or guardians are required to complete and submit a form indicating the student's chosen activity, along with their approval.
c. Extracurricular activities are conducted once a week, with different schedules depending on the type of activity.
d. Onsite Extracurricular activities are held at school every Tuesday.
e. Offsite Extracurricular activities take place on Thursdays at designated external venues. In addition, tennis sessions are conducted on Fridays. The specific schedule and arrangements may vary for each activity, and parents will be informed accordingly.
f. For activities conducted outside the school premises, transportation will not be provided by the school.
g. Students are responsible for preparing their own equipment and materials, such as laptops for coding or drawing tools for art activities.
h. If a student participates in a competition, funding arrangements will be determined accordingly, whether fully sponsored by the school or by parents.
i. Extracurricular Schedules are as follows:

| Grade | Day | Time | Dismissal | Venue |
|---|---|---|---|---|
| **1-2** | Tuesday | 13.30 - 14.30 | 14.40 | All activities will be conducted in the school compound except swimming and tennis. |
| **3** | | 14.30 - 15.30 | 15.40 | |
| **4-5** | | 14.30 - 15.30 | 15.55 | |

## 5. SCHOOL EVENTS AND ACTIVITIES

a. The school will be conducting programs and events, inside and outside the school such as : fair, field study, outing, pesantren ramadhan, graduation etc.
b. The information with regards to school events can be found in the school calendar, in case there's a change in the date of the events, the school will notify the parents accordingly.
c. Any other events outside the school plan can be done upon approval from the school principal.
d. Some events are open to the parents, and parents will receive the invitation through the quintal and the homeroom teacher.
e. Students are strongly advised to participate in all school events, programs, and activities as a platform for improving their social, communication, self-confidence, and other essential skills. If students are unable to participate in any school event, parents should notify the homeroom teacher or the principal accordingly.

## 6. MHIS PORTAL

A school portal account will be created for all parents. This school portal will provide:

a. School Information (letter, newsletter)
b. Information about school fees.
c. E-learning, where parents can observe students' buzz accounts and check their progress.
d. E-Library, to provide parents with access to various books to be read along or by the students at any time and any place.
e. Any inquiry about the MHIS Portal can be shared with the homeroom teacher, homeroom will inform the IT staff accordingly.
f. The portal also provides real-time reports from the school nurse regarding students' health conditions.

## 7. SCHOOL COMMUNICATION

a. Communication is necessary to support the teaching and learning process, including supporting students' development in terms of academics and manners.
b. Communication can occur either via online meeting (g-meet), phone call, email or direct meeting at the school compound (in the guest room or admission room)
c. Communication between parents and homeroom teachers is allowed and limited to working days from **7.00 AM to 5.00 PM.**
d. The use of positive and polite language during communication is a must.
e. To bridge between parents' concerns and homeroom, the Principal or even school, the Ittihada will be appointed as parents' representatives (Koorlas). The Principal, Ittihada or Homeroom Teacher will communicate more often with Koorlas, and Koorlas will relay the information to all parents accordingly.

f. Parents with concerns or inquiries should send an email to the Homeroom Teacher, who will follow up and coordinate with the relevant school departments as needed. The Homeroom Teacher will first address the concern and, if necessary, discuss it with the Lead Teacher. Should the matter remain unresolved, it will be escalated to the relevant Associate Vice Principal.
g. Other communication methods, such as personal WhatsApp messages to Subject Teachers, Vice Principals, or the Principal, are not permitted, except in urgent situations. Parents are not allowed to contact Subject Teachers directly. All communication should be channeled through the Homeroom Teacher to ensure proper coordination and effective resolution.
h. To uphold the integrity and professionalism of our educators, all teachers and staff at Mutiara Harapan Islamic School (MHIS) are not allowed to accept any form of gift from parents, whether given individually or collectively. If parents wish to express appreciation through a gift, they must first seek permission from the Ittihada (Parent Representative). The giving of gifts to teachers is only permitted if it is done collectively, fairly, and equally through Ittihada. This policy aims to prevent any form of gratification and to ensure that all students are treated fairly and equally, without bias or preference.
i. We aim to ensure smooth communication with parents by adhering to the established communication channels. If parents have any questions or concerns they wish to convey, they can communicate via email addressed to the Homeroom Teacher, who will follow up. Other communication channels, such as personal WhatsApp messages to teachers, the Vice Principals, or the Principal, are not permitted, except in specific urgent situations.

## 8. PRIMARY GOES DIGITAL

### Computer and Internet Policy

a. Students' tasks and assignments are part of the learning process and the result will be used as the input for the teacher in marking certain skills and topics.
b. In general, most of the school projects are group projects. Any individual project can be considered as an option when there is a perceived need by the teacher.
c. The purpose of the projects is to promote a love of learning and to encourage positive, meaningful learning experiences between students, parents and teachers.
d. Sometimes, this can take the form of practising newly acquired skills, and sometimes this can take the form of assignments which encourage students to pursue individual or class inquiries.
e. We ask parents to inform teachers if their children are unable to complete assignments so that appropriate adjustments can be made.
f. The due date of each assignment can be different from one to the next, parents are advised to check regularly with the homeroom teacher.
g. In order to embrace digital learning, the school will introduce pre-asynchronous work for the students to read before meeting the teachers synchronously. Students are advised to check, read and watch the digital content based on teachers' plan.

i. Students can only be allowed to join the final exam upon the completion of school fee, attending at least 90% of lessons time, in good and healthy condition and not under detention due to any violation of discipline.
j. All exams will be conducted onsite at school, only students with appealing reasons will be allowed to join the examination from home (online) with different settings. During the exam, all students are requested to arrive 15 minutes before the beginning of the exam, and follow all the rules and regulations during the exam.
k. Students with excused absences will have a chance to take the makeup test or quiz they missed.
l. Students with results below the minimum requirements (KKM) will be requested to take the remedial exam.
m. The grading for academic results is using 1-100 scale and on the other hand, the grading for students' social and manner aspects will be based on the following scales: *Sangat Baik - Baik - Cukup - Perlu Peningkatan.*
n. The grading is returning to subject teachers' rights.
o. The information of minimum required result will be announced by the homeroom during the parents' meeting.
p. Students with difficulties in attaining certain targets will be observed thoroughly by the subject and homeroom teacher. The principal will invite the parents if necessary in order to further support the learning process for the students. Both teachers and parents will agree on certain strategies to improve further. School counselors will be informed as well if needed.
q. Students with psychological concerns will be referred to the psychologist upon the agreement from the parents.

## 9. REPORT CARD

a. A report card will be given to parents four times in a school year; Mid Semester 1 and 2, and final semester 1 and 2 reports.
b. Mid Semester Reports consist of students' attainment results, including students' manners and social aspects in around three months time. This will include the knowledge and skills of the students. This report will be used as a benchmark for both parents and teachers on how to further improve students' learning experience in the next three months.
c. Final Semester 1 and 2 Reports consist of students' attainment academically, including social and manners report of the students for the whole semester.
d. The report card can be distributed to parents upon the completion of students' school fee. And the schedule of distribution will be informed later via email.

## 10. PROMOTION AND RETENTION

The objective is to ensure that students can meet the social, emotional and academic requirements of the next grade level before being promoted. We believe that every child can learn and grow, however they need to be socially, emotionally and academically ready to study at the next grade level. Any recommendation for retention will be made in consultation with parents, and always with the undertaking that the needs of the child are our priority.

### PROMOTION

Promotion to the next grade shall be based on the following:

a. Students have passed in all social, emotional and academic results.
b. Students have satisfied the minimum requirement in all subjects except at three subjects at the maximum.
c. Have attended at least 75% of classes throughout the year.
d. Students' Promotion will be determined by the teacher's pleno meeting attended by teachers and the Principal.

### RETENTION

a. Students of Mutiara Harapan Islamic School Primary who fail to fulfil the above requirements for promotion will receive the decision of retention.
b. If this case happens two times in a row, students will no longer be recorded as students of Mutiara Harapan Islamic School.
c. School personnel consisting of the Principal, Vice, Homeroom Teacher and parents will review possible cases of retention beforehand and make recommendations to help the student to meet promotion criteria.

**Counseling Session**

MHIS provides counseling services to assist students in addressing academic, social, emotional, and personal issues so that students can maximize their holistic development and achieve their full potential. Further details are provided in the provisions regarding Periodic Safety Training (Section 17).

## 11. ABSENCE

a. There are some types of absences:
    1) **Excused** : An absence due to illness, doctor's appointment, or serious illness or death of a family member. Students must go to the teachers and request make-up work immediately upon their return.
        1.1 Parents should notify the homeroom teacher of this type of absence.
        1.2 However, any excused absence for more than three days should be explained by the medical letter or other relevant supporting proof and sent to the Homeroom Teacher's and Primary's email (primary@mutiaraharapan.sch.id).

1.3 Students with contagious disease should obtain the medical letter explaining that he/she is fit to join the class upon returning to school.

2) **Explained** : An explained absence (not an absence due to illness, doctor's appointment, or serious illness or death of a family member) is when a parents/guardian takes the students out of school with the Homeroom Teacher's or Principal's prior knowledge and approval. Parents are requested to notify the school Homeroom Teacher (to be forwarded to the Principal) 3 days before the absence.

3) **Extracurricular Activity Absence**
   3.1 Parents/guardians should notify the Homeroom Teacher if the student can't attend the extracurricular activity. The Homeroom Teacher will relay the information to the Vice Principal of Academic Excellence.
   3.2 It is strongly advised that students not be absent for more than three times in attending extracurricular activities each semester.

4) **Truancy** : A student who leaves school without parental consent or is absent from the school on a regular basis.

b. Students are strongly advised to plan the holiday according to the holidays stated in the school calendar.

c. Any form of absence should be considered well by the parents as it might impact the learning progress of the students.

d. Early release
   This early dismissal release is intended for students with a parent personally coming/informing the school to sign the student out. The procedure for early dismissal is as follows:
   1) If the student gets sick at school and needs to go home, they must go to the clinic and call a parent/guardian listed on the Early Dismissal Release Form: https://mhis.link/pickup-requestduringschoolhour.
   2) The school nurse will transfer the call to the school Admin/Homeroom Teacher, and the student will be allowed to leave the school.
   3) If a student has a pre-arranged appointment, the parent who signed the Early Dismissal Release Form must inform the Homeroom Teacher at least one day in advance. This allows the Homeroom Teacher to make the necessary arrangements for the student's departure from school.
   4) If an emergency arrives, or an unexpected appointment, the parents can call the school Admin/Homeroom Teacher and request the students to be released at a specified time.
